Temporary Tent

Permit Application Guide

Description

A building permit for a temporary tent or group of tents exceeding 60m² in aggregate ground area.

General Information

A tent or group of tents require a building permit under section 8 of the Building Code Act and require compliance with the Ontario Building Code provided that the tent or groups of tents are;

- (a) more than 60 m² in aggregate ground area,
- (b) attached to a *building*, and
- (c) constructed closer than 3 m to other structures.

When a tent exceeds 225 m² in total area, a professional engineer's site report and commitment to general review form is required.

Additional Requirements prior to building permit application

The Building Code Act prohibits the issuance of a Building permit if the proposed construction or demolition contravenes any Applicable Law as defined in the Ontario Building Code.

Please verify all approvals that may be necessary prior to submitting your application to construct.

Note Zoning approval for Temporary Tents is not required.

Required Drawings
