PROJECT: PAVING 8TH CONCESSION
from Highway 9 to 18th Sideroad

LOCATION:

WHY?

8th Concession will be paved with a final lift of asphalt on top of the existing surface treatment to extend the service life of the pavement structure.

WHEN?

Start: September 9th 2019

End: September 16th 2019

IMPACTS?

Lane restrictions will be in place during paving and some delays to the normal flow of traffic can be expected for the duration of the project. Local traffic will still be permitted for residents to access their driveways.
