DETAILS @  
**King.ca**

**PROJECT:** Paving Pumphouse Road from Canal Road to Graham Sideroad

## LOCATION:

## WHY?

Pumphouse Road will be pulverized and paved because the existing asphalt is at the end of its surface life and is in very poor condition. This work will complement the Graham Sideroad bridge improvements completed in 2018.

## WHEN?

**Start:** Week of August 19<sup>th</sup> 2019

**End:** Late August 2019

## IMPACTS?

Lane restrictions will be in place during paving and some delays to the normal flow of traffic can be expected for the duration of the project. Local traffic will still be permitted for residents to access their driveways.
