

PUBLIC NOTICE

PROJECT: Traffic Calming Measures (Speed Tables, Flexible Bollards & Signage)

LOCATION: Parkheights Trail

WHY?

Parkheights Trail has been identified as an area of concern with respect to the speed of vehicles. We are implementing various traffic calming measures to achieve lower speeds for motor vehicles and increase safety for non-motorized users.

WHEN?

Start: August 19th, 2019

End: September 2019

IMPACTS?

Temporary traffic delays will be experienced during the installation of speed tables and flexible bollards along Parkheights Trail. The locations of the traffic calming measures have been selected to minimize the impact of driveways.
