Highlights of the King Township Nov. 1 council meeting

Traffic study

Council received a traffic report from the Engineering, Public Works and Building division. The studies looked at traffic volume and speeds in King Township's different wards in 2015 and 2016.

You can read the results of the studies in the report [here](#).

Draft fees and charges

Staff provided council with a report and draft bylaw for fees and charges in King Township.

You can read the report [here](#).

You can read the bylaw [here](#) and the bylaw's attached schedules [here](#).

Special events strategy

Staff presented council with a report and draft special events strategy. The purpose was to get feedback on the Township's future involvement in the delivery of municipal events and the various ways in which staff can enhance the level of support provided to community organizations in the implementation of their events.

You can read the report [here](#).

Lying in the heart of the Greater Toronto Area, King Township is located within York Region, one of the fastest growing and diverse economies in Canada. More than 60 per cent of the Holland Marsh, also known as Ontario's salad bowl, lies within King Township. Though predominantly rural, most of King Township's 20,000 residents live in the communities of King City, Nobleton and Schomberg. Residents and visitors are drawn to King because of its rural lifestyle, village atmosphere and quality of life.
