

**Township of King
Public Works Department**

Hydrant Meter Permit Application

Approval from Fire Department required before approval of this application

Address requiring hydrant meter:	
Hydrant Permit Number	
Lot No.:	I, the undersigned understand that: 1) the use of this hydrant meter at the above location is a privilege and if abused, the meter will be removed and the privilege will be revoked. 2) the water obtained through this hydrant is not considered potable due to lubricants used during hydrant maintenance and/or possible contamination through the hydrant drain hole. 3) changes to the configuration of the meter or backflow preventer is prohibited and will result in a loss of deposit and permit. Any additional cost incurred by the Township will also be applied. 4) the Township may restrict the water usage or remove the meter in the event of a water ban per Region of York Advisory and/or the Township By-law. 5) the proponent will provide and maintain a gate valve acceptable to the Township at the assigned hydrant. 6) the proponent's deposit money will be refunded minus all costs incurred including consumption charges.
