

# THE KING CITY EAST LANDOWNERS' GROUP

## NOTICE OF FIRST PUBLIC INFORMATION CENTRE: A SCHEDULE 'C' CLASS ENVIRONMENTAL ASSESSMENT AND A FUNCTIONAL SERVICING / DEVELOPMENT AREA STUDY

The King City East Landowners Group is undertaking an integrated approach with the Planning Act for an Environmental Assessment (EA) to determine a location for a road crossing of Eaton Hall Creek in the King City East area (see map). This EA builds upon the Township's Transportation Master Plan process (completed in 2014) and will be integrated with the Township's land use planning practices as required by the Province, Region and Township.

Concurrent with the Environmental Assessment, an update to the Functional Servicing / Development Area Study (FS/DAS) is being undertaken as part of the planning approvals process to provide a comprehensive and co-ordinated approach to maintaining and enhancing natural heritage features and functions. This work is required by the Township prior to the approval of development plans and will be the basis for locating land uses, roads, parks, schools and infrastructure. This study will also provide information in support of the EA process.

The first Public Information Centre (PIC) will be an open house to present the project scope and design alternatives. The PIC will provide an opportunity for public and government agency review and comment.

### Public Information Centre

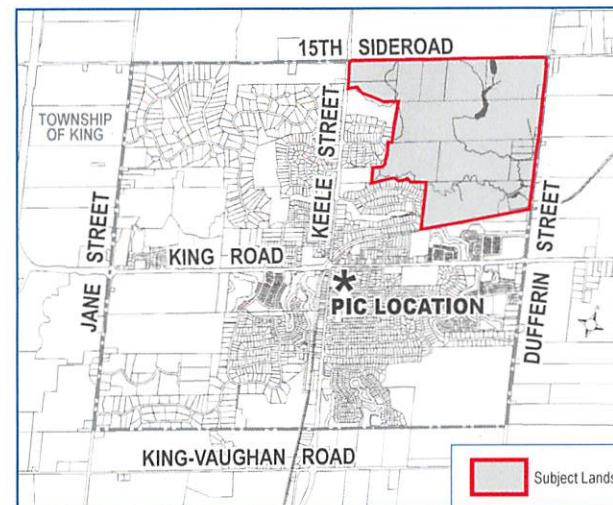

**Time:** Open House: 7:30pm to 9:30pm

**Date:** Thursday, February 16th, 2017

**Location:** King City Arena Auditorium, 25 Doctors Lane, King City

Representatives from the Township and the Consultant Team will be present at the PIC to answer questions and discuss the next steps in this study.

Public consultation is vital to the Class EA and FS/ DAS process. The Township wishes to ensure that anyone with an interest in this study has the opportunity to get involved and provide input before any decisions are made on a preferred location for the valley crossing. With the exception of personal information, all comments will become part of the public record.

Should you have comments or questions regarding the Valley Crossing EA process or FS/DAS study, please feel free to contact the undersigned.

**Mr. Mike Cole**, Engineering Department  
King Township, 2075 King Road, King City, Ontario, L7B 1A1 or;  
Telephone: (905) 833-5321 or at mcole@king.ca
