Message from Angelo Santorelli President, King Chamber of Commerce

As president, it is my pleasure to welcome you to the 2022 edition of the King Chamber Business Directory. We have experienced another year of limited activity with many functions and meetings continuing to be done virtually.

As we move ahead, we are looking forward to the coming year bringing us more opportunities to be able to hold our networking sessions, planned events and social gatherings in person.

The march forward will present many challenges for all businesses as we all grapple with new rules and requirements as we work through the pandemic. The King Chamber is here to help in any way we can! Our local businesses in King Township continue to work together by promoting one another, by the Shop Local campaign, with ads highlighting our community businesses along with our Business Directory for our members and residents of King to use.

More than ever, the work we do as a chamber to support our businesses, entrepreneurs and those who are self employed is valuable for the prosperity of our community.

At the chamber we will continue to generate more activities, more interest and more knowledge of our community and our local businesses. We welcome all businesses in King to become members of our chamber.

For 2022 we look forward to continuing to work with the Township to advocate for and support economic development in King. We also welcome the creation of the Kingbridge Centre for Innovation and the opportunities it creates for collaboration with the Chamber.

The cooperation we received from our partners at the King Township Economic Development has as always been outstanding and appreciated. The members of the board and staff who have promoted the Shop Local campaign, the Business Directory and various events have worked with enthusiasm to have a successful chamber.

I would like to say once again, in King Township we have a wonderful place to live, to shop, to work and to play. Please use our new digital business directory to find that special place in King Township.

Message from Steve Pellegrini Mayor, Township of King

On behalf of council and staff, it is my pleasure to introduce to you the 2022 Membership Business Directory, a publication created in partnership with the King Chamber of Commerce.

This Directory provides information on over 150 businesses that are proud Chamber members. Together, they form a diverse, strong voice that represents the best of King Township's local economy.

As we continue to deal with the impacts of the COVID-19 pandemic, I'm happy to report many sectors of our local economy are back up and running, thanks in no small part to the hard work of owners and their employees along with the support of the public.

Despite the hardship and challenges facing our local businesses, many of them have continued to support our community in the best ways they can. For some that's keeping their doors open so people can get the goods and services they need.

For others, it's continuing to support local charitable organizations like the King Township Food Bank.

And for many, it was supporting our Township-run COVID-19 vaccination clinic we ran over the summer months. During that time, we put almost 77,000 shots in the arms of people living and working in York Region.

Many local businesses helped out by doing everything from making donations, including of supplies and food, to volunteering their time at the clinic. Residents bought lunches locally, and lunches were also donated.

Everyone came together. It is that kind of spirit that continues to carry us through the COVID-19 pandemic. Let's ShopKING, continue to support our businesses and continue to look to the future while taking care of each other today.

Our Economic Development Office continues working closely with the King Chamber of Commerce to provide resources to help local businesses adapt to the new normal.

King Township is committed to keeping business supported and informed during the pandemic. I'd encourage you to visit www.king.ca/business to find the latest information on how we can help support your business along with news about other support programs offered by other levels of government.

Please stay safe and continue shopping locally as much as you can.

Eek Farms is owned and operated by
William and Avia Eek.

Bill's Great Uncle, William Valenteyn, was
one of the first settlers in the Holland Marsh
in 1934, making Bill the 3rd generation to
be farming in the Specialty Crop Area, world
renown, as the Holland Marsh.

We are proud to be stewards of the land,
feeding people locally, provincially, nationally
and around the world with our carrots and
onions.

Taste the difference of vegetables grown in
our organic based soil--soil matters!

ABOUT US

For us at the King Chamber of Commerce this has been another year filled with both accomplishments and challenges.

In 2021 we were pleased to be able to recruit and welcome on to the Board new Board members: Theresa Sherwood and Molly Robbins.

In the midst of all the continuing lockdowns and economic chaos we have maintained our own local COVID-19 resource and re-opening toolkits on the website to provide updated information on government programs, relevant legal issues and available local business support resources. We have also continued our very successful virtual networking program on Thursday mornings to link local business leaders and to liaise with officials from all levels of government over the business challenges associated with pandemic restrictions and the gradual re-opening of the economy.

In 2021, we hosted our first ever virtual Annual General Meeting and King Chamber Excellence Business Awards (complete with a wonderful tutorial on the world of chocolate) and we were pleased to present and facilitate the only all-candidate's debate in King Township in the run up to September's federal election.

Last but not least we received a generous \$60,000.00 grant from the Federal of Ontario (through the Ontario Chamber of Commerce) to fund our ShopLocal media campaign and other initiatives occurring this fall. As a result, the Chamber has remained actively committed to fully supporting "KING | IT'S ALL HERE" initiatives like the Canada United, Shop King and ShopLocal campaigns.

Despite our best efforts we do, however, recognize that the remainder of 2021 and 2022 will continue to be critical to the survival of many local businesses. At the King Chamber we will continue to work tirelessly to bring your business issues forward and to advocate for a safe re-opening of the economy and additional business recovery from all levels of government.

Here's hoping for a bright and prosperous 2022!

Mariellart Gallery

Mary's love and passion for mixed media arts surfaced in high school where she nurtured and developed her artistic expression through classes and private lessons. Marriage to her high school sweetheart and motherhood had her refocus her energies and attentions to raise her young family for a number of years.

Since 2010, Mary has immersed herself in her art with passion and an indomitable spirit, producing numerous paintings on a variety of subjects and experimenting with various mediums – a collection she shares through her dedicated website, Mariellart Gallery.

Mary's portfolio currently includes detailed portraits, beautiful landscapes and flowers, animals, birds, still life, children and more. "I like to tell a story with my paintings," explained Mary. "Many of my pieces offer glimpses of peace, serenity, relaxation, inspiration, life purpose and deeper meaning. Then again, some of my pieces are just done for fun!"

Mary's ultimate desire is for her creative gift to touch lives, bring light and joy, a smile to your face and beauty to your eyes. You can find her work at her website, mariellart.com. She also has some of her work on display at The Olde Mill and Art Shoppe in Schomberg.

Mariellart Gallery

King Auto Repair Service

You don't find quality and personalized service at every automobile service centre, but you definitely do at King Auto Repair Service (KARS), which has been looking after vehicles for the King community for over 13 years.

"We love serving our community. Our customers are very loyal to us, and we are very loyal to them," says co-owner James Monteath. "And we have a great team here. Our customers actually call our mechanics by their first name." "Every time I bring my vehicle here, I know I'm

comfortable knowing that they're only going to do what needs to be done, and recommend what's safe for me, to ensure that my vehicles are in good working order," says customer Kevin Ritson.

"When I go into town to get a coffee, I see my customers," explains co-owner Jim Kassam. "I want to look at their

face and shake their hand, and know that we fixed their car right the first time."

A lot of KARS' business comes from referrals. It's easy to understand why.

Leading Edge Motor Cars Inc.

Leading Edge Motor Cars Inc. was founded in 1998 and is currently operating in King, Ontario. It is recognized in Canada and USA as one of the largest vehicle wholesalers in automobile industry, selling thousands of vehicles annually. They opened their first retail outlet in 2001 to offer select late-model vehicles direct to the consumer at wholesale prices. Their current office on Lloydtown Aurora Sideroad focuses on purchasing and export of vehicles for the network of dealers in the USA they support.

They are looking forward to building a new facility on the old Pottageville airport property also on Lloydtown Aurora Sideroad to be able to complete servicing and reconditioning to their own vehicles and being able to offer their services to the community.

They are always looking to purchase used vehicles from local customers and strive to make the process as easy and convenient as possible, whether or not the seller is planning to buy a car.

They have many customers with fleet incentives that they have on a 6-12 month exchange program,

getting them into brand new vehicles for \$0 out of pocket making cost of ownership next to nothing. They are able to do that based on their export processes and relationships.

They also make it easy and convenient for customers to purchase. If they don't have what a customer is looking for, they will find it. They offer a vehicle locate service to source new, used and recreational vehicles in which they can also assist with financing, leasing and extended warranty options. Their relationships with manufacturers, franchise dealers and rental companies

ensures customers have access to all brands and models at the most competitive prices. "The wholesale side of our business makes it easy for us to find exactly what you are looking for," explains owner Darryn Wilbur.

At Leading Edge Motor Cars, they take pride in the number of repeat customers and referrals that make their business successful.

They can be reached at sales@lemc.ca or 905-590-3343

Guaranteed Roofing

Guaranteed Roofing has been King's local roofing expert for residential & commercial roofing for over 27 years. Their focus is on quality and integrity, and they are highly experienced and knowledgeable.

"When you hire Guaranteed Roofing, you can trust that the work will be completed with the highest standards of workmanship because we do all of our own work and we have earned many professional certifications," says owner Rob Capobianco. "We do not hire subcontractors. When you call us, you always deal directly with the us, the owners."

Rob personally trains all of his workers to fulfill the company's above-average standard of work. He is often an active member of the crew – it's not unusual to see him on the roof with the guys every chance he gets. He really enjoys his job, and it shows!

Guaranteed Roofing has expertise to cover all aspects of roofing, including new construction & repairs for

all types of roofing, shingles, custom copper & metal work, skylight installations & repairs, eavestroughing, gutter and eavestrough cleaning and ventilation inspections & recommendations.

Robyn Sinclair, Transformational Life Coach

Robyn is a self empowerment and transformational life coach with a heart-centered **"focus on business and relationships"**, who helps people recognize and live more in their own well-being, and live less in anxious or insecure thinking. She helps her clients become clear on how to live their lives consciously in well-being and happiness daily, living empowered within themselves. Not looking for it on the outside or outer circumstances. Consciously taking responsibility in our life, by going within ourselves to create change. Her mission is to help women who are busy with life rediscover and focus on the dreams and goals they may have shelved, supporting them one manageable step at a time to reality. "I help my clients be the leader of their own lives by helping them understand themselves better," says Robyn. "Together, we touch on principles behind life and practices to enhance their daily lives,

interactions, and mindset, which in turn affects behaviours. Innately, I love to help people to be the best they can be and to be the leader of their own life. Listening to our inner wisdom can be very effective. A conscious awakening to our best empowered self. Mental Health Empowerment is important especially today, when there is so much change happening all around us, and this helps us to find some peace and stability, and natural centering to calm ourselves from within." Helping people throughout her life has been a recurring theme, starting when, as a teacher, Robyn realized she had a passion and interest for helping slow learners to read and got great joy from this accomplishment and awakening people to the wonders of life as it opens up. Helping adults to improve reading skills to be able to confidently and independently navigate daily life for themselves and their families is empowering and can be life-changing.

Design On King

Design on King is a family run business, offering 25 years of accredited Interior Design experience and 30 years of paint coatings experience to King City and surrounding areas. Their vision is to offer high end design in a friendly, approachable manner. From a quick opinion on a colour or an in-home blinds consult to full Interior Design services and help in securing quality trades, the staff at Design on King combine current industry trends and the latest materials with client needs and design style to create well thought livable spaces that are timeless and unique to each client.

With over 30 years in the paint and coatings industry, Andy's knowledge base is invaluable, helping commercial and residential customers find the right products for their projects. While Design on King remained open as an essential business, it was the community support that has

meant so much to the family. In keeping with their industrious nature, they have just opened their second location, in Kingston, Ontario.

Their model of approachable best in class service and knowledgeable staff is now available in two markets.

Recalling their early days, Andy commented "When we decided to open our own paint shop, the decision to carry only Benjamin Moore was one of the easiest decisions I had to make, and with our design and decor in house services, it

makes the decision process much more enjoyable and rewarding for our Clients."

With their paint, interior design expertise and window covering solutions, Design on King has all of the finishing touches that will help turn your house into a home.

INTEGRITY. EXPERIENCE. AFFORDABILITY.

Rob Payne, Edward Jones

Rob Payne is a Financial Advisor at Edward Jones Investments serving individuals, families and businesses in King Township and beyond. He is a strategic, active listener with a passion for improving the financial lives of Canadians.

"My wife, Susy, and I are the proud parents of two active boys, Jack and Nicholas. As a parent myself, I know how important it is – and challenging it can be – to plan for the future," explains Rob. "There is so much to take care of now and bills that need to be paid now that we sometimes don't get around to planning for the future. That's where I can help."

Edward Jones
MAKING SENSE OF INVESTING

Rob specializes in working with families to develop investment strategies designed to get them from where they are today financially to where they want to be in the future. He knows that a disciplined investor who consistently invests even a small amount over a long period of time can be just as successful as someone who invests a much larger amount of money for a much shorter period of time. Investing can be as much about discipline as resources.

Rob enjoys working closely with his clients and getting to know them and their families. Because he is an active listener, he genuinely understands what's important to them and develops a bond of trust.

Nino G. Orlandi Professional Corporation

Nino G. Orlandi, B.B.M., C.A., C.P.A. graduated from Ryerson University in 1980 with a Bachelor of Business Management honors degree, and obtained his Chartered Accountant designation in 1981 following the successful completion of the Ontario School of Accountancy and the Uniform Final Examinations.

While employed with Touche Ross & Co. (now Deloitte Touche) in Toronto, Nino gained a broad range of experience in business, accounting, personal financial planning and tax related matters, as well as specializing in corporate and personal taxation for three years. His experience was very diversified, encompassing clients in numerous

industries and many personal and corporate tax situations. Nino was then employed with Price Waterhouse in Bermuda at a senior management level, directing the efforts of numerous audit staff between 1985 and 1987. The majority of the professional services were provided to a diversified mix of multi-national corporations.

Nino returned to Canada in 1989 and now operates as a sole practitioner under Nino G. Orlandi Professional Corporation, providing personalized accounting and tax services primarily to owner/manager businesses in various industries.

Leonardo's Pizzeria and Smokehouse

It's not often that a pizza parlour is run by a classically trained chef, but Leonardo's Pizzeria and Smokehouse is no ordinary pizza place. Jordan Lindner, a master chef with a solid background of training from Georgian Brown Culinary, is leading the charge with this new business, which just celebrated its first year. "The Lindner family has lived in Pottageville for over 30 years", said Jordan. "We're so excited to be able to serve our community with hot, quality food, from our family to yours."

When the Lindner family took over the business, not only did they step up the game on pizzas, adding

eclectic specialty pizzas to the lineup, they also installed a commercial indoor smoker. Every week, a variety of smoked meat is featured in sandwiches and in the weekly special. It even finds its way onto specialty pizzas, like The Pasture, featuring smoked beef brisket and The Pen, featuring pulled smoked pork and slaw. Every meal is crafted with expertise and care. The ever popular Montreal Smoked Meat

sandwich takes a full two weeks to prepare, but is sold out almost immediately, and has been touted by a customer as "the best Montreal smoked meat sandwich I've ever had!"

Spray Lake Watersports

Spray Lake Watersports and Activity Centre is situated on a one-of-a-kind, private freshwater lake just north of Highway 9. It was created with the vision of providing customers a unique watersport experience, just steps outside Toronto. Core services include waterskiing and wakeboarding behind their top-of-the-line Nautique boats and riding on their industry leading straight-line cable park ("The Ranch").

"We cater to all ages and abilities," says Jono Boysen, owner. "Whether you are trying to run your personal best pass at 38 off, land some big air on your wakeboard, or just want to get up for the first time, we are confident we can make it happen."

Spray Lake has a team of professional coaches with decades of combined experience and is committed to providing the best training in a safe environment.

New for the 2021 season, Spray Lake is partnering with the S.L.I.P. Community Association for private ice skating and hockey events on their ice pad

and 2 kilometer natural ice trail on the lake. All profits will be donated to local businesses affected during the COVID-19 pandemic.

"Whether it's waterskiing, wakeboarding or ice skating, we guarantee you will have a ton of fun, and probably not want to leave!" laughs Jono.

Providing Families with Peace of Mind

By providing quality, personalized private care our trained staff will ensure a level of professionalism that allows for healthy, safe and positive interactions. We provide a variety of services to suit the needs of you and your loved ones.

Home Medical Services

Our team of skilled professionals provides both medical and personal home care services. In addition to helping maintain personal hygiene, we also regulate and provide medical services such as bloodwork, medication administration, and accompanying clients to appointments.

Private Homecare

We specialize in, but are not limited to, providing live-out support including short-term postoperative care. We also organize and assist clients with daily activities to help stimulate their mind and enrich their interests. We are flexible in building a care plan that is best suited for our clients.

Respite Care

Caring for loved ones can be a full-time job – we recognize it can be exhausting at times. When you need a rest, our team is here to relieve you. Our staff is able to provide 24-hour care in the comfort of our client's own home.

For more information:

MUNICIPAL SERVICES

Visit www.king.ca for more information.

ANIMAL CONTROL

All dogs and cats are required to be registered annually and wear a tag at all times.

Tags purchased before April 15 will qualify for a discounted rate. Tags can be purchased online, or at the Township Office.

To report dogs barking, dogs/cats running at large, clean-up of pet excrement or animal attacks, contact Animal Control at 905-832-2281.

For assistance with wild animals, call Toronto Wildlife Centre at 416-631-0662.

PARKING

The Township prohibits:

- Parking longer than 3 hours
- Parking over sidewalks
- Winter restrictions are in effect from November 1st to April 15th, 2 a.m. to 6 a.m.
- Report all parking complaints to the By-law Services Division at parking@king.ca or call 905-833-4002.

ROADS

Report pot holes, streetlights, snow plowing, and animals on Township roads to Public Works at publicworks@king.ca or online at king.ca/serviceking.

COVID-19 UPDATES

With the on-going and rapidly changing nature of the COVID-19 pandemic, the most up-to-date information on King Township's programs and services and COVID-19 related information, can be found at king.ca/covid19. For COVID-19 medical information, please visit york.ca/covid19 or call Health Connection at 1-800-361-5653.

WASTE COLLECTION

Weekly waste collection schedule and other important information can be found in the Waste Collection Calendar accessible at king.ca/waste.

For collection inquiries, contact the Township's waste services contractor Green for Life at 1-866-421-5625 or email wasteline@gflenv.com.

THE KING BULLETIN

Interested in keeping up with King Township municipal news, updates and notices? Get our email newsletter The King Bulletin delivered right to your inbox monthly.

Subscribe Today: king.ca/kingbulletin

OUTDOOR FIRES

The Open Air Burning By-law (#2015-109) has information on both open air fires and recreational fires.

A permit must be obtained for an open air fire. Visit king.ca/BurningInKing for more information and to see if your property qualifies for one.

Fire ban information will be posted via our website at www.king.ca.

ECONOMIC DEVELOPMENT

Starting, expanding, or need help with your business?

Contact our Economic Development Division at 905-833-4016 or by e-mail at ecdev@king.ca or visit www.economicking.ca.

PROPERTY TAXES & WATER

For all property tax and water inquiries, contact us at 905-833-5321 and ask to speak to the Finance Department. Details on property tax and water payment options can be found on our website at king.ca/financeFAQ.

SERVICE ALERTS

All service disruptions including facility and road closures are posted on our website at king.ca/servicealerts.

EXPERIENCE KING Are you looking for ways to get out and experience new adventures close to your home? We've got you covered at www.experienceking.ca.

There you will find an extensive resource detailing our local experiences, dining, events, places to stay and venues. Discover the best King Township has to offer.

ECONOMIC KING

Are you looking to revitalize your commercial property or grow resiliency on your farm? Visit king.ca/CIP for information on the Community Improvement Plan (CIP). The CIP offers funding opportunities for eligible businesses for things such as signage, building accessibility improvements, agri-tourism uses, or on farm dining establishments.

KING.ca ONLINE SERVICES

Visit king.ca/onlineservices and become a member to use our online services 24/7!

- Online payments (i.e. pet licence)
- Program registration
- Submit a service request
- Garbage tags & recycle bin orders.

SANITARY SEWERS

Contact the Public Works Department for all concerns related to sanitary sewers by phone at 905-833-5321 or by email at serviceking@king.ca.

WATER

Contact the Public Works Department for all concerns related to water quality and low water pressure by phone at 905-833-5321 or by email at serviceking@king.ca.

DEVELOPMENT

All development and redevelopment must comply with the Township's Zoning By-laws. Contact the Zoning Examiner to inquire about the zoning of your property. Site plan approval from the Planning Division is required to undertake development, including residential development in the Oak Ridges Moraine.

CONSTRUCTION

Permits from the Public Works Department are required for road occupancy, entrance, site alteration, municipal consent approvals, fill, and hydrant meters.

SUSTAINABILITY GRANTS

Program offers funding to assist community organizations with projects or initiatives that support the sustainability goals, as outlined in King's Integrated Community Sustainability Plan (ICSP)/ Sustainable King. King's Sustainability Advisory Committee will consider funding projects that support one or more of the Plan's goals, strategies or action items. For more information visit www.king.ca.

CLEAN YARDS

Sets out minimum standards for properties including some rules on litter, waste and property maintenance to help ensure that properties are safe, clean and attractive in relation to adjacent properties.

FENCES

The Township regulates the height and placement of all fencing.

A pool enclosure permit is required from the Public Works Department when constructing a swimming pool.

The division of the cost for abutting neighbours constructing a NEW fence is based on 50/50 share (of the cost) of a 4 ft chain link fence.

Excellence in Business Annual Awards

Congratulations to our 2020 Award Winners

by Theresa Sherwood

Excellence in Small Business - Lisa Lafrate, TaLii Towels

Award Sponsored by: King Print Solutions

Lisa Lafrate, founder of TaLii Towels and winner of the King Chamber of Commerce 2020 Excellence in Small Business Award has been a pillar in our King community for a number of years. She survived Covid by pivoting her product to personalized masks.

Pre-Covid, TaLii Towels was mainly an “in-person event” sold via 140 festivals and trade shows, craft shows and street fairs, which were all cancelled. Lisa had to lean into her online store and national sales. Lisa continually demonstrates her passion for King Township through volunteering, giving to various charities and mentoring entrepreneurs. Lisa believes that you must have a passion for what you do. “I love the game and receiving appreciation from happy customers for great service and a fantastic product.” Lisa has made a number of great relationships through her membership at the King Chamber of Commerce and is looking forward to helping the Chamber become even more relevant in our business community, “Together we can be stronger”.

Excellence in Large Business - John Ciarallo, John's No Frills

Award Sponsored by: Seneca **Seneca**

John Ciarallo, owner of John's No Frills and winner of the King Chamber of Commerce Excellence in Large Business Award is very well known in the community. John's No Frills opened in Nobleton in November 2012 and has seen Nobleton grow along with his store.

During Covid, prioritizing the health and well-being of his customers and staff during the past year was a challenge, but John has done a great job providing safe access to groceries in the community. “Relationships are the most important thing in a business, not only in your customers but also in the professional development of your staff.” He is proud to have launched a number of local youth to successful careers by giving them their first job. If you shop at John's No Frills you know that John is always around to help customers and staff as needed. He is also a very active member of the Chamber and a big supporter of the King Township Foodbank; “We don't judge, we support.”

Sustainable King Award - Cathy Russell, Roost Café

Award Sponsored by: King Township **KING**

Cathy Russell, owner of The Roost Café in King City and winner of the King Chamber of Commerce Sustainable King Award is committed to her community and the environment.

Offerings at her quaint heritage location include freshly made soups, salads and sandwiches, handcrafted beverages as well as gluten-free and vegan treats. The diverse menu offers many alternative options for those with food sensitivities or allergies. Cathy and her team at The Roost take their food to the next level by preparing it with love and care. She is committed to using biodegradable or recyclable products, sourcing local vendors and using natural ingredients.

Pandemic pivoting included adding on-line ordering to allow customers to order ahead for pick-up, shortened hours (no commuter traffic) and a simplified menu. Cathy also offered larger servings of popular items to take home including jars of soup, pans of fruit crumble, breakfast boxes and mini cakes. Some customers were ordering breakfast boxes and having them delivered to friends, just because. This connection to community is what The Roost is all about. In-store, Cathy added a selection of local products such as jam and honey to go with their award-winning, locally-produced coffees and teas. Pop-up markets in the summer, as allowed, were a welcome place to connect with local vendors and the community.

Entrepreneur of the Year Award - Stephanie Karellas, Kroma Salon

Award Sponsored by: DK1 Foley Restoration

Stephanie Karellas is the founder of Kroma Salon in King City and second time winner of the King Chamber of Commerce Entrepreneur of the Year Award. A true, entrepreneur, Stephanie started by saving every penny from her first jobs to start her business. She wanted to inspire and motivate other aspiring hair stylists to succeed.

Pandemic challenges involved shutdowns and hiring of additional staff to cover longer hours to maintain Covid protocols. It wasn't easy, but the shutdowns gave time to address some important back-burner issues. Stephanie is passionate about her people; "It definitely takes a village" and wouldn't be possible without the team of suppliers, staff and customers who all add their individual value. At Kroma, it is a priority to connect with guests and inspire them to be part of the Kroma family. As an entrepreneur, Stephanie says sometimes keeping balance in her life is difficult, but she's working on it. Her advice for other entrepreneurs is to have focus, persevere and don't give up!

Excellence in a New Business and People's Choice Award Michelle Frauley, Hospall Private Homecare

Award Sponsored by: King Auto Repair Service, King Weekly Sentinel

King Weekly Sentinel

Michelle Frauley is the founder of Hospall Private Homecare and winner of the King Chamber of Commerce Excellence in a New Business and People's Choice Awards. Experience with her aging grandparents and career as a nurse, led Michelle to an opportunity to mitigate healthcare challenges for people at home. She founded Hospall in 2013. Today, she maintains a staff of 50 healthcare workers and enjoys helping them improve their skills and career situation.

In November of 2020, Michelle's idea to set up a drive-thru flu shot clinic spawned a Covid-19 vaccine clinic at the Trisan Centre in Schomberg. Approximately 80,000 vaccines were administered with the assistance of 200 volunteers (some chamber members) from our community. Local businesses and families donated lunches for the volunteers. It was a wonderful example of what our King community can do together. Michelle was touched to receive these awards on behalf of her team at Hospall.
