

CORRECTION NOTICE

TOWNSHIP OF KING RURAL COUNTRYSIDE ZONING BY-LAW 2022-053

Please be advised that the following typographical errors in the final version of the Township of King's recently adopted Rural Countryside Zoning By-law 2022-053 have been identified and corrected administratively:

- Within Section 7.2, *Permitted Uses in the Rural Zones*, and Table 7-2 *Uses Permitted in the Rural Zones*.
 - The typographical error has been identified as the inclusion of “*legally existing use*” as a permitted use within the RM zone, where the use “*legally existing use*” should be identified as a permitted use only within the RMG zone.
- Within Special Provision (8) of the aforementioned Section and Table.
 - The typographical error has been identified in Special Provision (8) referencing Section 7.8 of By-law 2022-053, however it should reference Section 7.9, being the Section for *Rural Employment Greenbelt Zone Provisions*.

These administrative corrections identified in red in the attached excerpt from the By-law have been made by the Township Clerk in accordance with the authority to correct clerical, spelling, or minor administrative errors of an administrative nature in By-laws of the Township as per Section 5 of Schedule “A” of By-law 2022-002.

Correction Date: October 12, 2022.
